EXPERIENCE

Multimedia Artist

June 2023 - Present

One Mega Group | The Business Manual

Currently works under One Mega Group Inc., a subsidiary of AGC PHC, the company that also handles notable brands like Vogue PH, Mega, Nylon Manila, Billboard PH, and Modern Parenting among others. In-charge of making presentation decks and shoot guides, art directing and assisting in shoots, designing cover materials, illustrating company timelines and carousel infographics for social media posting, creating AVP scripts for cover-related reels, and creating overall visuals for brand-led events under digital magazine, The Business Manual.

Graphic Artist

May 2021 - June 2023

ANDIO IT Solutions

Worked at ANDIO IT Solutions as a full-time graphic artist in charge of website design, branding design, and the creation of over 100 mobile themes after establishing a developer partnership between the company and Samsung Galaxy Themes.

Content Creation Intern

Feb 2020 - May 2020

When in Manila

Worked as an intern at When in Manila, an online magazine by a company of contributors and creators of digital content focusing on food, travel, and stories around the Philippines. Has done event photography, feature and editorial writing, and graphic illustrations during the ongoing internship period.

Multimedia Intern

August 2019 - October 2019

Summit Media - Content Lab

Worked as an intern under Content Lab's SpotJapan, creating illustrations and infographics, assisting in photoshoots, making Instagram story layouts for website article releases, participating in office workshops, and doing basic workplace errands (photocopying, web photo optimization/editing, and content pitching).
